

Mrs Geo. Grady
R. R. No 2. Box 26
Whittier Calif.

CM

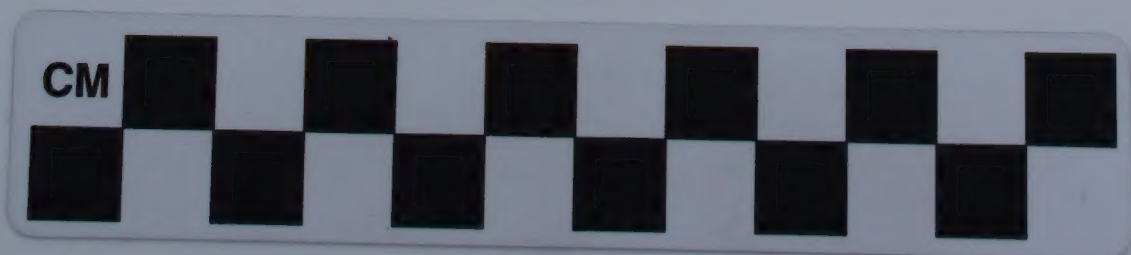

My Dear Mrs. Grady: -

I had your letter
and I am somewhat
concerned because you
say you have not heard
from Jack or Catherine
as yet. Now I know
of three letters myself
that have been written
by them, surely you
have not received them
or made C- misdirected
them - I shall write her
at once, I know they
have miscarried for I

know they were
written for, did you
have two cords and
a paper I sent from
here?

Now dear don't worry
Catherine will not fail
just trust her and
she will do more than
her part. Jack has had
his teeth fixed up fine
They were in a terrible
condition and he is now
in Miss Watson's school
and is as happy and
good as he can be. That

school is the best
place he could be - for
they discipline the children
by Love. & I think
most all babies can
be molded into great
and noble men and
women. by Love. I
feel Love is the power
Life is so sweet, so
grand and beautiful
always, if we will
only see the happiness
and return good for evil
What joy and bliss you
must have with your
dear, dear charming

CM

little family, you are
lucky to have such
beautiful girls. -

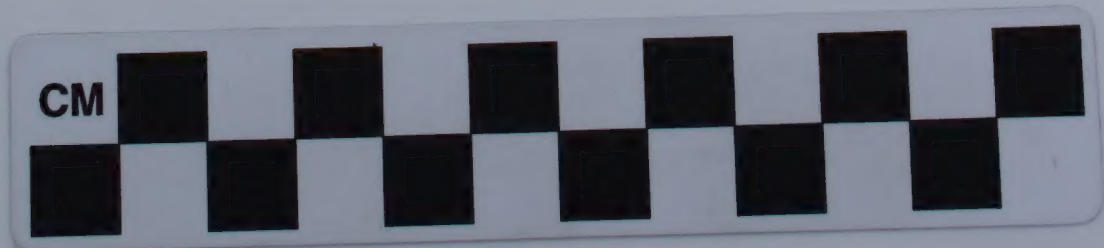

I would be so happy
if Catherine & Jack were
here near me, and I
hope to see them often
for I often go to San
Francisco, and Catherine
& I are the best friends
we exchange letters 2
& 3 times a month
but she is rather a
poor hand to answer
she has lots of friends &
has lots to do so I over-
-look it. - However I
always write often as I

CM

we enjoyed those nuts &
wish we could get the
green ones here. I sup-
-pose you are going to
have one of those
fine big turkeys on
Thanksgiving I'd like
to be there. -

Joe, told Juanita all
about the girls &
how sweet they were.

Now Mrs. Grandy I
feel I have no voice
in this business but I
do feel you are not
making a mistake to
leave Jack entirely in

can, for she is a good
friend & I am exceedingly
-ly fond of her. -

Now my dear, I shall
write at once to C. &
see where the trouble
lies, I know the letters
& cards have been sent
& we must find them.
Kindest regards to
your good husband &
many hugs for the
girlies. Write to me
when you feel like it
I shall love to hear
from you. - How much
